## **What you get from Ashish:**

A fully collaborative Environment that is private and fully secured

Ashish would fully understand you before he takes you through some cutting-edge tools & techniques and creates a system for you.

## **Why Trust him with your Job Promotion:**

1: He has had fastest promotions at American Express.

2: He Moved up from Sales Manager to Market Head to VP- Online Sales to VP- Sales (online, offline, in-store, ) and Customer Service in three different companies (American Express, Caratlane and Bluestone) within 14 months.

3: As a Coach, he would be bring you the perspective, mindsets, strategy, tools, techniques and steps to bring you your Next Level role.

**How does it feel to be TAK Trained:**

You have a seat on Jet at all time, While we will create architecture, framework, and a fully accountable process and bring it you in step-by-step manner. You will have great

foundation and you will have total clarity of where you are in the framework and what next step you want to take.

**TAK's Skin in the game:**

I formed this company with the core value of putting my Skin in the game, as you the client is ready to put your side of work.

## **What it means:**

I charge the premium of Coaching work when you reach the level you want, i.e. your true North:  
CEO of an Organization with inner confidence and assurance
